This application is in condition for allowance except for the following formal matters:

The claims as presented in the response filed on 5/3/05 with the proposed amendment of 6/29/05 are allowable. However, the claim numbering has become very confusing and will present problems when the application is prepared for issue. Especially the presence of a double set of claims with different numbers. In order to clarify the claim numbering applicant's is requested to file an amendment indicating that claims 1-309 have been cancelled and submitting the claims listed as "CLEAN COPY GROUP II" of the paper filed on 5/3/05 starting with claim number 310.

Prosecution on the merits is closed in accordance with the practice under Exparte Quayle, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO**MONTHS from the mailing date of this letter.
